

Literacy Support Programme for Schools

A professional service to support children who are not reaching their reading potential.

What do you provide?

We provide a school with two Literacy Support Staff one day a week for the whole school year. The staff are trained and mentored by our Specialist Literacy Consultant.

What do you do?

- 1) Literacy Support Staff work in conjunction with class teachers to identify the needs of each child and to prioritise the areas that need work.
- 2) Up to seven children will receive one to one support.
- 3) Up to thirty-two children over the course of the school year will be involved in group work.
